<input type="checkbox"/>	M17 PROPELLER		B1	

**Note:** All EASA Part66 Exams shall be conducted by approved EASA Part 147 organization.

**PLEASE READ IMPORTANT NOTES**

- Minimum one month of self-study is recommended since you are registering for Course Reviews only followed by Examinations, and not to Full Course Training. Without a sufficient preparation time, you will not achieve an optimum training session and decrease your chances to be successful with the examination.
- Course and Examination language is English.
- Upon acknowledgement of your registration, your digital manuals access can be very quick if you ensure your address details are complete.

**HAVE YOU ACHIEVED ANY PART66 TRAINING WITH ANY OTHER ORGANISATION?**

If yes, please indicate the Organization name and details here under:

ORGANIZATION	DATE OF TRAINING
A	
B	

### Examination / Certificates

- The administration process to issue and send the certificates is approximately 3 weeks after the examination day.
- You will receive your certificates by courier/self
- Freesky Institute of Aviation & Technology will not deliver any information on results or certificates before the end of the administration process.

With my handwritten signature I herewith confirm that this course registration form is truly filled in and the information stated is correct.

I also agree that FreeSky Institute of Aviation & Technology may store on an electronic system my personal data provided above and my examination results, to be used solely for Course, Examination and Certificate administrative purposes.

**NOTE:** Resit will be provided after full clearance of dues.
